

The Rat or Human Race

With laws written or unwritten,
We are guided by the gutless.
We are led by the lead heads.
We follow the heartless, wicked, and cruel.
We are damned by the devil and blessed by the Lord,
 for we all belong to the rat or human race.

There is no escape shy of death.
We not only have to take this shit,
But we have to take it and smile.

Some are too dumb to know,
Others are above it,
But what about us?

We know the score, but we are helpless.
