## Chase?

The fish chase after the fisherman's bait  
as the goat after the carrot,  
not knowing what is in store.

You chase and chase,  
mostly after fantasy and the impossible,  
after society has programmed you to do so  
or is brainwash, the word for it  
not knowing what is in store.

You laugh at the fish,  
you laugh at the goat,  
now who is going to laugh at you?

– Dale McCombs, 2014
